Legislative.

The Council was occupied yesterday with the Franchise Bill. Its numerous provision, that were left untouched at the previous meeting of the House, were passed, except the Schedules, with a very few verbal alterations. The Schedules are purely matters of detail—subjects that naturally grow out of general principles, indicating the forms to be followed in making the Franchise Bill a workable Act. There was, however, one new feature added to the Bill, that liberalizes it most materially, and frees it from many of its objectionable features. A new feature, that recognizes that which every man qualified according to law, shall have a right to vote, still he shall not be deprived of the opportunity to qualify himself to vote. As the Bill stood, at the previous sitting of the Council, not a single man in the Colony could have acquired either of the qualifications; for the good and sufficient reason, that no time was to be allowed to get, and especially because each claimant to vote was required to possess the qualification for which he claimed to be registered, for at least three months before he sends in his claim to registration. The latest day for sending in claims, according to the Bill, was June 10th. Hence, the three months' possession of the qualification to vote, would have commenced on March 10th instant. This would have been a perfect prohibition against any one in Kootenay, Yale, Cariboo, Lillooet, New Westminster, Nanaimo, Comox, Cowichan, or the districts surrounding this city, having an opportunity to qualify themselves to vote. For such unfairness no defence could be made. For such an attempt to disfranchise a large body of the productive population of the Colony, there are no words strong enough to condemn it. Yet, His Inverted Littleness, Dr. Helmcken, seemed wonderfully discomposed that the wicked design to disfranchise numbers of good citizens, had not met with the concurrence of the Council. Happily, however, on Mr. DeCosmos suggesting to the House the justice and fairness of giving every man a right to qualify himself to vote under the new Act, Mr. Attorney General Phillippo, with that thorough appreciation of fair play that so well becomes an Englishman, and does honor to his head and heart, moved to amend the Bill so that any person who may qualify himself between now and the 10th of next June may become a voter. Thus ends the attempt to take the people of British Columbia unawares. The new provision imported into the Bill, virtually renders it a new Bill,—and will do much to remove the odium that would otherwise have attached to the Government, had it insisted on only accepting as voters those who may now be accidentally qualified to vote. Our readers have now three months within which to qualify themselves; and if within that time they shall not do so, they will only have themselves to blame. We say frankly that we expect the proposed Franchise to become law; and, consequently, we recommend every one to stir himself to secure the right to vote at the election that will elect members to the Ottawa Government, as well as those on whom will devolve the duty to organize and act Responsible Government in successful working in this country.

By Electric Telegraph.

SPECIAL TO THE DAILY STANDARD.

LAST NIGHT'S DISPATCHES.

PARIS, Feb. 25, VIA LONDON, Feb. 26, 2 p. m.—The conclusion of peace is now certain. Thiers, Favre and the Consultative Committee have accepted the following conditions:

1st—The cession of Alsace and Metz, but Belfort to be restored to France.

2nd—The payment of a war indemnity of 5,000,000 francs.

3d—A portion of French territory, with some fortified towns like Sedan, to remain in possession of the Germans until the conditions of the treaty are fulfilled.

4th—The German army to enter Paris on Monday, and occupy the Champs Elysee.

5th—Peace to be proclaimed when the French Assembly ratifies these conditions.

Thiers and the Delegation will return to Bordeaux, to-day.

LONDON, Feb. 26—The *Daily Telegraph* has a special from Amiens, to-day, saying that much uneasiness prevails there, in consequence of a report that England has interfered in regard to Metz, declaring that the fortress should not be ceded to Germany.

HAVRE, Feb. 26—Five thousand troops, with three batteries, have arrived, and 15,000 are expected in case hostilities are resumed.

LONDON, Feb 28—Passenger trains have commenced running again between Dieppe and Paris.

VERSAILLES, Feb 26—The *Moniteur*, of Friday, states that 302 field-pieces, belonging to the army of Paris, have been delivered to the Germans, and 125 cannon in good condition, found in the forts.

EASTERN STATES.

WASHINGTON, Feb 26—The Secretary of the Treasury has directed the Assistant Treasurer at New York to purchase two millions in bonds, each Wednesday during the month of March—being ten millions in all—and to sell one million dollars in gold on the first, third and fifth Thursdays, and two millions on the second and fourth Thursdays, making $7,000,000 in all.

The following houses have been appointed agents for the negotiation of the New York Loan, abroad: Great Britain—Baring Bros., Rothschild & Sons, Norton Race, Jay Cooke & McCulloch, London; Germany—Rothschild & Sons, Frankfort; France—D. Rothschild & Bros., D. Rixed Hierges & Co., Paris; Holland—Hope & Co., Becker & Field, Amsterdam. The district agencies in the United States will soon be announced. Fifteen hundred agencies have been tendered, including 75 private banking establishments. So far, 100 have accepted, and 50 declined.

NEVADA.

VIRGINIA, Feb 26—The daily yield of ore for the week, in the leading mines on the Comstock lead, is as follows:—Savage, 120 tons; Chollar Potosi, 275; Hale and Norcross, 225.

CALIFORNIA.

SAN FRANCISCO, Feb. 26—The skeleton of a man, supposed to have been murdered, or to have committed suicide a year or more ago, has been found on the sand, near the mouth of the lagoon De La Merced. A bottle of rum and another of strychnine were found near the place; covered with blood, about a year ago. The skull was crushed in, as if from a blow by a club.

John Burke, a fireman, whose skull was fractured at a fire at the Lincoln school house, has become delirious; a fatal result is feared.

The deaths in this city last week, amounted to sixty-five.

Arrived—Bark Amethyst, Port Madison.

Sailed—Brig Perpetual, Columbia River; schooner Alice Hawk, Tacoma.

Weather clear and cold; wind from the north. The mud in the streets is drying up fast.

The first sea fog of the season came in through the Golden Gate this evening.

The friends of the proposed Australian and New Zealand new steam-ship line, are much disappointed at the result of the vote on the $300,000 subsidy, in the House of representatives; they having been very confident of carrying it by hundreds of a majority. It is doubtful whether the line will be established without the subsidy, as despite the figures published, it is not believed that the trade and travel alone, will pay anything like the necessary running expenses, for some years. At least, the line now running, has received but meagre support, and may be withdrawn if no new one is put on.

Last night, Michael Cunningham was arrested for a minor offence, and locked up in the cell of the Harbour police station, on Davies street. During the night, he deliberately set the place on fire, having been allowed to retain some matches and a knife when locked up. The flames were making headway on all sides, when discovered; he was taken to the city prison, and charged with arson. The building stands in the centre of a large block of frame buildings, and in a few minutes more, a disastrous fire would have been inevitable.

F. Dorgan was brought in dead drunk from the streets. He had his shoulder broken, from blows received.

Arrived—Steamer Wm. Tabor, San Diego; steamer Senator, San Luis Obisbo; ship Alcatraz, Cardiff, with merchandise to Williams Blanchard & Co. The Tabor brought a large freight, and a full passenger list.

Preparations for the celebration of St. Patrick's day are more extensive and complete than ever before. It is expected that the turn out will be greater than on any previous anniversary.

The steamers Senator and Wm. Tabor raced up from Santa Cruz, making the trip in six hours and forty minutes; the Senator being inside, arrived a little ahead.

MITCHELL & JOHNSTON

Agents for British Columbia for the Registered

SELF-ACTING HAND SEED DRILL,

Received the Special First Prize Silver Medal at the Norfolk Agricultural Society's Meeting at Downham, June, 1868.

THIS WILL BE FOUND to be a very useful Implement, as greater regularity is obtained than sowing by hand, while a saving of nearly fifty per cent., is effected in the sowing of the Seed, and it cannot possibly get out of order.

A boy will work it with ease, and it will drill as fast as he can walk. For the Farm it will be found an invaluable Implement.

By simply turning a thumb screw it can at once be adapted for sowing Mangold Wurtzel, Barley, Wheat, Sainfoin, Tares, Rape, Turnips, Onions, Radishes, Flax Carrot, Cabbage, Cauliflower, and Brocoli Seeds. Full directions are sent with each Drill, $5 each. New French Cold Grafting Wax Mastic L'Homme Lefort from 25 cts. and upwards. ma2

DEATH.

In this city on the 28th Feb., at his residence Gordon street, Matthew Mollow, aged 57 years, a native of Cornwall, England. The funeral will take place from the Odd Fellows Hall, Yates street, on Thursday afternoon at 3 o'clock.

THE LEGISLATIVE COUNCIL.

WEDNESDAY, March 1st, 1871.

The Council met at 1 o'clock, p. m., today.

Present—Hons. Messrs. Hankin, (Speaker) Phillippo, Hamley, O'Reilly, Helmcken, Carrall, and Messrs. Pemberton, Nathan, DeCosmos, Nelson, Bunster, Skinner, Humphreys, and Cornwall.

The Minutes of last meeting were read.

Mr. Humphreys took exception to the minutes, in that they did not record, in section 3 of the Qualification of Voters' Bill, certain words. He asked the minutes to be altered accordingly.

The Speaker said his notice had not been called to the matter at the time—and there was not a quorum present.

The Collector of Customs said the clause passed before a full House.

Mr. Humphreys replied, at the time the Bill was reported there was no quorum.

Mr. DeCosmos said it was simply a matter of routine. If there was no exception taken at the time, then the minutes should remain as they are.

The Hon. Attorney General explained the usual rule in the matter.

The minutes were then confirmed.

CUSTOMS BILL.

On motion of the Hon. Attorney General, this Bill was read a second time and committed—Mr. Skinner in the chair.

This is the bill sent down by His Excellency in lieu of that passed by the House a few days since, and which more fully meets the circumstances of the case. The enacting clause was agreed to, and is as follows:

"The Customs Amendment Ordinance, 1870," shall be and the same is hereby repealed; but such repeal shall not in any way be taken to prevent the collection of the Duty leviable upon Spirits prior to the passing of that Ordinance, which Duty shall, after this Act comes into operation, be collected as if "The Customs Amendment Ordinance, 1870," had never been passed.

Clause 2 passed as follows:—

This Act shall not come into operation until Her Majesty's assent has been given thereto.

Clause 3—the title was agreed to and is cited the "Customs Repeal Act, 1871."

Mr Bunster thought if it had to wait for the Queen's assent, it might take a year or eighteen months to wait.

The Attorney General replied, and Mr. Bunster withdrew his objection.

The Bill was reported complete, to the House, and it was adopted.

The Standing Orders were then suspended, and the Bill passed a third and final reading.

FIRE COMPANIES' AID BILL.

This Bill was also taken up in Committee of the Whole—Mr. Skinner in the chair.

Section 1 was amended, and reads:—

In addition to the rates levied and collected, or hereafter to be levied and collected, upon and from all Agents of Fire Insurance Companies issuing Policies of Insurance against fire, within the limits of the City of Victoria, there shall be payable to the Municipal Council thereof, by the Agent or Agents of such and every such Fire Insurance Company, so carrying on business within the said limits, the annual sum of three hundred dollars; such sum to be payable by four equal quarterly payments, each of seventy-five dollars, in each year, on the 31st day of March, the 30th day of June, the 30th day of September, and the 31st day of December, respectively; and the first of such quarterly payments shall be made on the 31st day of March, A. D. 1871, and they shall continue thenceforth to be made on each such quarter day as above mentioned.

Mr. Nathan replied to the Attorney General—he believed there was no objection made to the Bill by the agents of the Fire Insurance Companies in the city.

Clauses 2 and 3 also passed as follows:

Every such quarterly payment shall be made when due, as aforesaid, by the Agent or Agents of every such Fire Insurance Company, to the Clerk of the said Council, at the Council Chambers, in the City of Victoria; and such Clerk shall keep an account thereof; and if any such quarterly payment shall be in arrear for a period of thirty days, the same shall be recoverable by action, to be brought against such Agent or Agents, or the Company which he or they represent, at the election of the said Clerk, as a debt due to him and in his name, in any Court of competent jurisdiction in the Colony; and all moneys raised by virtue of this Act, after deducting the expenses of collection or recovery thereof, shall be applied, from time to time, by the said Municipal Council, towards the maintenance of the said Fire Establishments, in such manner and subject to such conditions as the said Council shall in their uncontrolled discretion think most proper.

Nothing herein contained shall be deemed to repeal the "Fire Companies' Aid Ordinance, 1869," or any part thereof; provided that the aggregate of the sums of money to be raised by virtue of the said Ordinance, and of this Act, shall not be limited to the annual sum of three thousand dollars.

The title and preamble of the Bill passed without dissent, and it was reported complete. The report was adopted by the House, and the third reading set for to-morrow.

REGISTRATION OF VOTERS' BILL.

This Bill was taken up in Committee of the Whole—Mr. Hamley in the chair.

Consideration of the Bill was resumed at section 4. This clause, with 5 and 6, were passed as follows, and without dissent:

No public tax, rate, or charge, shall be deemed to be any charge or incumbrance on lands within the meaning of this Act.

Where any freehold estate or any lands and tenements are jointly owned, held, or occupied by more than one person, each of such joint owners, holders, or occupiers, shall be entitled to be registered as an elector and to vote at the Election of Members to serve in the Council. Provided the value of his individual share or interest in the said freehold estate, or lands and tenements would, under the provisions of this Act, entitle such owner, holder, or occupier to be registered as such elector and to vote as aforesaid.

No person shall be allowed to have any vote in the Election of a Member of the Council for or by reason of any trust estate, or mortgage, unless such trustee or mortgagee be in actual possession or receipt of the rents and profits of the same; but the mortgagor or cestuique trust in possession shall and may vote for the same estate, notwithstanding such mortgage or trust.

Section 7, providing for polling places in the several electoral districts—to be proclaimed in the *Government Gazette*—passed.

Sections 8 and 9 passed without amendment. They read thus:

When any real property, although wholly within the same Electoral District nevertheless, lies partly within the limits of one of the Polling Divisions of the District, and partly within the limits of another of the said Polling Divisions, the person entitled to vote as the owner, holder, or occupier of such property, shall send in his claim to the Collector appointed for the nearest polling place, and shall vote at the polling place where his claim is registered.

In case any alteration is made at any time under the powers hereinbefore contained in the Polling Divisions once constituted of any Electoral District, the Registrar of the District shall amend any copies of registers, lists, claims, or objections submitted to him in such manner as to make the same conformable to the alterations so to be made as aforesaid.

Section 10 came up for consideration.

The Attorney General stated that the date 1st May, was chosen because, generally, the country commences to open about that time, and the House is generally through business.

Mr. Humphreys observed that communication was so irregular on the Mainland; and except extraordinary measures were taken, many people would not even know of the passing of the Bill; it would be calculated to prevent their voting.

The Attorney General said the register must be complete by September, and before representatives would proceed to Canada.

Mr. Skinner said, in his district there would be no opportunity to communicate, with a view of complying with the clause, if it passed, as it at present reads.

Mr. Nelson urged an amendment of the clause.

Mr. Bunster also, desired an amendment, but he objected to a fee of 25 cents to register a vote.

The Attorney General would assent to an amendment (which had been suggested by Mr. DeCosmos); but Section 3 would also have to be amended. To Section 3, was added the following, accordingly:—"previously to sending in his claim to vote, as hereinafter mentioned."

Section 10 then passed with amendments, to us:—

The Registrar for every Electoral District shall, in the year 1871, obtain a sufficient number of printed forms of precepts, notices, and lists, according to the respective forms in the Schedule A, to this Act annexed; and of the table of fees No. 1, in Schedule B, to this Act annexed; and shall, also, on or before the 1st May, in the year 1871, make and cause to be delivered to the Collector of his District (or to each of the Collectors of the several polling divisions in his District, as the case may be) a precept, according to the form numbered 1, in the said Schedule A, together with a sufficient number of the said printed no ices and lists, and of the said table of fees, for the purposes hereinafter mentioned. Provided, that it shall not be necessary for any person who shall claim, in right of which he shall claim, three months previous to the time of sending in such claim to be registered.

Dr. Helmcken said it would have the effect o destroying the value of the whole Bill.

Mr. DeCosmos said it was an act of grace; an act of justice to the people of the whole country.

Mr. Humphreys looked on the Bill as a mistake—it is made to prevent the many from exercising the right to vote.

The Attorney General, with regard to clause 11, said he would move to provide that voters be in possession of qualification, at the revision of the lists. To avoid any hardship to people in the country, the provision was altered so far as regards this year.

Section 11, passed without dissent:—

Every such Collector shall, on or before the 10th day of May, in the year 1871, publish a notice according to the form for the year 1871, numbered 2, in the said Schedule A, having first signed the same, requiring all persons entitled to vote in the election of a Member of the Legislative Council, in respect of any property situate within such Electoral District, or within any Polling Division of such District (if such District has been so divided as aforesaid); or in respect of any other qualification, to give or send to the said Collector, on or before the 10th day of June then next ensuing, a notice in writing, by them signed, of their claim to vote as aforesaid; and every such person shall, on or before the 10th day of June in the said year, deliver or send to the said Collector a notice signed by him of his claim, according to the form of notice set forth in that behalf, in the form numbered 3, in the said Schedule A, or to the like effect.

Clauses 12, 13, 14, 15, 16, 17, 18, 19, 20, and 21, defining the duties of the Collectors and Registrars for the several Districts, were passed with but verbal amendments to the original.

Clause 22—Every Collector shall, on or before the 23rd day of July in each year, deliver to the Registrar of the District, a copy of the List of Voters so made out by him as aforesaid, and a copy of the List of persons objected to as aforesaid.—Passed.

Clauses 23 and 24, respecting the list of voters, registers, &c., passed as they stood.

Clause 25—Every person who shall wilfully destroy, mutilate, efface, deface, or remove any notice, list, register, or other document so affixed as aforesaid, during the period for which the same is hereinbefore required to remain so affixed, shall for every such offence forfeit any sum not exceeding twenty-five dollars to any person who will sue for the same, to be recovered in a summary manner before any two Justices of the Peace, or any Stipendiary Magistrate.—Passed.

Clauses 26, 27, 28 and 29, provide for the revision of the list of voters by the Registrar, in the several polling districts in the Colony, and for holding Courts of Revision, &c. Passed.

Clause 30 provides that if the Collector has omitted the name of any person from the list of voters, who has given in his name and is entitled to vote, the Registrar may, upon evidence of the same, place his name on the list.

The Attorney General moved the following amendment to the clause:

"During the year 1871, any person whose name may appear on the list of voters may be required by any other such person or by the Registrar, to prove that he is in possession of the qualifications for which he has claimed to be registered, at the time of the holding of the Revision Court.

The clause passed as amended.

Clause 31 provides that it shall be lawful for any person whose name shall be on the list of voters for any District or Division, to oppose the claim of any person to have his name inserted on the list of voters, it was passed.

Clause 32. It shall be lawful for the Registrar to require any person whose name shall be on the list of voters, in any year, in the District for which he has been so appointed Registrar, or in any Polling Division thereof, to appear before the Revision Court and prove his qualification; or to give any information to the said Registrar that he may require for the purpose of enabling him to judge whether such name ought or ought not to be retained on such Register or list of voters; but notice shall be given to the party, if possible, by the Collector three days before such party shall be required to appear at such Court of Revision.—Passed.

Clauses 33, 34, 36, 38, 38 and 39, empowers the Registrar sitting in the Court of Revision to strike off the name of any person from the list of voters, who cannot be found in the Colony. They also provide for the holding of Courts and the attendance of the Collectors of the District at such Courts. Passed.

Clause 40 empowers the Registrar sitting in the Revision Court to make an order in writing, specifying the sum that he shall order to be paid to any party brought before the Court on any frivolous charge; and the party shall be compelled to pay the said costs. Passed.

Clauses 41 and 42 defines the duties of the Registrars, and compels them to keep the lists of voters ready in their possession until signed or handed over into the custody of the Returning Officer of the District. Passed.

Clause 43. The Registrar of every Electoral District shall furnish a certified copy of such Register to any person applying for the same, upon payment of a price after the rate contained in the table. Passed.

Clause 44 provides that if no list of voters has been made out for such purpose, the Governor and Council may extend the time for such list to be made out. Passed.

Clause 45. Any person who shall wilfully refuse or neglect, when duly required by summons, under the hand of the Registrar, to attend before such Registrar at any Court to be holden as aforesaid, according to the exigency of such summons, shall upon proof before such Registrar sitting in the Revision Court of the service of such summons, be liable to pay by way of fine for every such offence, a sum not exceeding Twenty-five Dollars, to be imposed by and at the discretion of the said Registrar holding any such Court as aforesaid. Passed.

Clauses 46, 47, 48, 49, 50, 51 and 52, gives the Registrar power to impose a fine upon the Collector for neglecting his duties. The Collector shall keep an account of all moneys received by him for the sale of notices, &c., and pay the same into the Treasury of the Colony. The pay of the Registrars and Collectors appointed under this act, shall from time to time be fixed by the Governor in Council. In case any sums of money, by order of any Registrar, directed to be paid by any person by way of fine or costs, shall not be paid, it shall be lawful for any Justice of the Peace to order the payment of the money. The register of voters in force at the time of any election, shall be final and conclusive. Maps, descriptive of the boundaries of the electoral districts or divisions approved by the Governor and signed by the Surveyor General, shall be received as evidence of the boundaries of such districts.

The above clauses passed without amendment.

Clause 53. This Act shall come into operation upon its being passed; but shall not be taken to apply to the qualification or election of any member of the Legislature, until the Register of Voters is completed and delivered to the Returning Officer as is hereinbefore provided.

The Hon. Attorney General made the following amendment to it:

"And until such register of such votes is completed, the qualification of members and voters shall be the same as if such act had never been passed"

The clause passed as amended.

Clauses 54 and 55, referring to the title of the act, passed.

The preamble was read over and passed, after which the Committee rose, reported progress, and asked leave to sit again. Leave was granted, and the Speaker resumed the Chair.

On motion the House adjourned until Thursday, at 1 p. m.

A "BIG SELL."—Last evening, there was quite a "sell" perpetrated on the Victoria citizens. A performance was announced to take place at the Theatre, for the benefit of a man named James Ibbotson. At the time appointed, the Theatre was lighted, and the Band commenced to play to attract people thither. At the hour appointed for the performance to commence, the *artistes* went to the box office and demanded their pay; not having enough money, the treasurer refused to comply, consequently the parties mentioned would not play. At 9 o'clock, the audience got tired of waiting, and made a break for the box office. The treasurer seeing the people rush to the window of the office to get their money back, made good his escape at the back door. The crowd of people lingered about the Theatre for some time, thinking their money would be returned, but no one made an appearance to redeem the tickets. Finally they all went off, pronouncing the affair to be the biggest "sell" they had experienced for some time.

PUT BACK.—The steamer California put back on Tuesday evening and anchored in Royal Roads. She proceeded to the mouth of the straits and encountered a fearful gale; the sea running mountains high. She was unable to get into Neah Bay, and consequently made for Royal Roads. Capt. Gardener, chief officer of the California, says it was the roughest weather he has experienced on the coast for the last ten years. The California will leave as soon as the weather moderates

FOR THE MAINLAND.—The Enterprise left yesterday morning at 10 o'clock well filled with freight. About thirty passengers left by her. Messrs. Haynes, John Trutch, G. B. Wright, Sawers, (Yale agent of the new express company and mail contractors) Johnston, Kootenay express carrier, and O. Parsons were among the number. Mr. Trutch goes up in connection with the survey of the Giscome Portage route to Omineca.

METCHOSIN MAIL.—Mr. John Parker, of Rocky Point, Metchosin, was yesterday awarded the government contract for carrying the mails between Victoria and Metchosin, Race Rock lighthouse, &c. The contract will commence on Monday next, leaving Metchosin at 8 a. m. A two horse waggon, suitable for carrying passengers, will be used. The return trip will commence on Tuesday, leaving town at noon, and will be run weekly thereafter, on same days and hours.

ALLEGED LARCENY.—Thomas Rabson of Esquimalt, was summoned before the Police Court yesterday morning by John T. Howard, charged with stealing a saw. Several witnesses were examined, after which the case was adjourned until Friday. Mr. Bishop appeared for the prosecution and Mr Robertson instructed by Mr. Courtney for the defence.

CORRECTION.—We are requested to correct a statement which appeared in the *Colonist* yesterday morning, to the effect that Mr. Meldrum, mate of the schooner Cambria had broken two of his ribs. Mr. Meldrum is not mate of the schooner; he is master; and did not meet with any accident. It was one of the sailors who had got his ribs broken.

ROCK BAY SAW-MILL.—This mill is now in full blast, cutting cord wood to all lengths and sizes Mr. C. B. Brown, formerly of Parson's Bridge has leased the above premises and is now prepared to supply wood cut to to any size at the shortest notice, and at prices to suit the times. The wood is delivered to all parts of the city free of charge.

YACHT RACE CHALLENGE.—Commodore Jame Ashbury announces that in a few weeks he will send a formal challenge for the Queen's cup, now held by the New York Yacht Club. Ashbury will enter for the contest the new yacht Livonia, 208 tons, now building.

FIRE DEPARTMENT AID.—It will be seen in our to-day's report of the Legislative proceedings, that the Fire Department of Victoria will receive the additional pecuniary aid of about $1,300 per annum. From the several Insurance Companies, the sum of $300 each, in addition to the rates already exacted, will be levied in future.

EARLY RHUBARB.—Some beautifully colored rhubarb was shown to us this morning in the store of Messrs. Mitchell & Johnson. It is, we believe a variety introduced by this enterprising firm, and is very early and fine. This is certainly the first we have seen this year.

Cargo.—Manzine shipped to San Francisco from January 1st to February 15th, 1871, 3,290 tons. A San Francisco commercial paper says in respect of the cargo of the Lulu from Q. C. Island: The quality is fair steam, resembling Schuylkell, the freight is $8 per ton and it is held at $14. Further: we were permitted to make the following extract from a letter received by a gentleman of this city, from a friend in San Francisco: "The coal is declared by all who have seen it remarkably good, and could it only be shown that an unmistakeable vein exists, you would not be long without a purchaser."

FATHER HYACINTHE.—A London telegram of January 26th says this notable has written to a Paris paper, denying the validity of the Pope's Encyclical and Syllabus and denouncing generally the hierarchical pretensions of the See of Rome. He contemplates another visit to the United States.

IN BANKRUPTCY: RE.—J. Baronevitch came up for second examination in court yesterday. The Bankruptcy was suspended and a deed of arrangement was agreed to by the creditors, who were represented by Messrs. Drake, Jackson & Aikman. Mr. Hy. Nathan was appointed assignee.

DROWNED.—We forgot to mention, in yesterday's report concerning the trip of the Lulu from this port to Queen Charlotte Island, the following: "Dec. 18th.—Robt. L. Ackland, cook of the vessel, a native of Kent, England, was lost overboard and drowned.

RAILROADS WEST OF THE ROCKY MOUNTAINS.—California has 700 miles built; Nevada, 450; Oregon, 125; Utah, 230, exclusive of the Union Pacific, lying within the limits of that territory; British Columbia——

FOR CALLAO.—The ship Arracan, Captain Tassen, from Port Discovery, bound to Callao with a cargo of lumber, put into Royal Roads yesterday afternoon, and anchored until the weather is settled.

FOR BURRARD INLET.—The steamer Grappler left yesterday morning at 10 o'clock, for Burrard Inlet, with a few passengers. She will tow the bark Antipodes from the Inlet to Royal Roads.

REDUCTION IN PRICE OF SPIRITS.—The Bill to effect the reduction of 50 cents per gallon on whiskey, imposed last year, will become law on the assent of the Queen.

FUNERAL.—The funeral of the late Mathew Hollow will take place this afternoon at 3 o'clock, from the Odd Fellows Hall, Yates street.

AID FOR FRANCE.—A. T. Stewart of New York, the dry goods king, has sent on his own account, 5000 barrels of flour to the relief of the French people.

FROZEN OVER.—The navigation of the East River, New York, was suspended last month by ice, on which hundreds of people crossed to Brooklyn.

DIRECT STEAMER.—The steamer Pacific will leave San Francisco on Saturday afternoon, for Victoria direct.

DR. CHING FUN—A CARD—EDITOR STANDARD:—Through the medium of your paper I want to state the very great good that has been done me by Dr. Ching Fun of this city, next door Kwong Lee & Co. For 24 years I suffered with neuralgia on the brain, which baffled the skull of three first-class American physicians. Latterly bronchitis attacked my right lung, and my eyes became awfully inflamed. Despairing of ever being cured I placed myself as a last resort in the hands of Dr. Ching Fun, and after five months treatment I am a well man and feel that I cannot sound the eminent Chinese gentleman's praises too loudly, so that all my countrymen similarly affecteed may visit him and find relief. For Sale.

I OFFER FOR SALE ALL MY PROperty in British Columbia, consisting in part, of the Dwelling House in the city of New Westminster, now occupied by me, the Fraser River steamers Reliance and Onward, and a controlling interest in the Albion Iron Works, Victoria.

The Dwelling House is the best on the Mainland of British Columbia, and cost ten thousand dollars. There is a Fruit Garden attached to the premises, containing about fifty choice Fruit Trees, Apples, Pears, Cherries, Plums, and Peaches, bearing abundantly, without showing any symptom of disease, also an abundant and never failing supply of excellent Water. The Furniture will be sold with the premises.

The Onward is in first class order, Her Boilers were built at the Albion Iron Works, Victoria, the Iron being especially selected for the purpose, at the Lowmoor Works, England, and they are safe with a Pressure of two hundred pounds to the square inch, and have been in use only one season.

The above Property will be disposed of at a great sacrifice for Cash, as I wish to retire from the colony.

Now is the time to invest, as there will be great expansion of values when the Railroad Surveys are commenced.

For further particulars apply to
